Being Present in Presence is the Present

The *Eternal Now* is ever present. What keeps us from living or even recognizing it? What does it even feel like?

Venice Holistic Community Center

714 Shamrock Blvd. Venice

6:30 - 8:30pm

\$10 suggested donation

Join William Ward for a new kind of evening. One of conscious interactive realization and direct experience of the proverbial

"Truth that sets one Free".

Using simple means of personal life experience, devotion, breath, singing bowls, and meditation to help us remember and embody the fullness of life already and always inherent within us.

The more we remember, the less we forget
